HOW STAKING WORKS

A Simple Process

Staking with Growlance is straightforward and designed for all users.

SIGN-UP

Create a free account within a couple of minutes.

DEPOSIT

Then add USDT via BSC(Bep20) network to your wallet.

STAKE USDT

Choose a staking plan and start earning daily rewards.

TRACK

Monitor your rewards in real-time with our intuitive dashboard.

Our platform ensures secure staking with SSL encryption and cold storage, delivering a seamless experience from start to finish.

EARN WITH REFERRALS

Unlock the power of our multi-level referral system & earn passive rewards every time someone in your referral network stakes!

When you refer someone to our platform and they register and choose a staking plan, you earn a bonus. But that's not all—you can also earn from the people they refer, up to three levels deep.

WHY JOIN OUR REFERRAL PROGRAM?

→ PASSIVE INCOME:

Earn without additional effort once your network grows.

→ SCALABLE REWARDS:

More referrals mean more earnings.

→ SIMPLE & TRANSPARENT:

Track your referrals and bonuses in real time on your dashboard.

“ Take advantage of this powerful 3-tier system to multiply your earning potential.

Whether you're just getting started or already have a large network, our referral program is designed to reward you generously at every level.”

Referral Levels & Bonus Structure

LEVELS	RELATIONSHIP	BONUS %
Level 1	Direct referral with your link	4%
Level 2	Your downline referral	2%
Level 3	Your downline downline	1%
